Science Fair at AZUZA PACIFIC University April 3, 4 & 5
- XII. ACSI Science Fair May 9

Remember everything you do concerning the Science Fair is recorded in your “Google Doc” journal that you have shared w/ me. The journal is checked for completeness and graded every week. Entries for the week must be posted by Friday at midnight.

All work on your actual report must be done on the “Science Fair Written Report Template” you should have downloaded from my website and then shared w/ me. This will assure that you are keeping everything in the correct ACSI approved format.
