

## Physical Science Final 2019

Your second semester final, worth 10% of your semester grade, is 2 parts:

**Part 1** – to be completed on a Google doc, it is the randomly selected topic you selected on the Creation/Evolution debate. The document will be an MLA formatted Argumentative essay. It will consist of 5 paragraphs (the same format you have used several times w/ Mrs. Seals):

**Paragraph 1:** Introduction: Hook – Issue – Claim

**Paragraph 2:** Reason-Evidence-Bridge-Evidence-Bridge –Conclusion

**Paragraph 3:** Reason-Evidence-Bridge-Evidence-Bridge –Conclusion

**Paragraph 4:** Counter argument – Turnback

**Paragraph 5:** Restate your claim- Review Key Points – **THINK** Statement

A hard copy is required! Have it printed and with you during the debate. (You can refer to it during the debate); however, it must be handed in to me at the end of the period. The school (the office, Mrs. Seals or I) will not print it for you!

**Part 2** – Your group will debate the opposing side during our 2 hour final time. You are free to use your own set of notes. If you have a PowerPoint/Prezi presentation make sure you share it w/ me so that it can be projected onto the whiteboard for use during your debate.
